

DEPARTMENT 101 — DAIRY CATTLE

Judging: Wednesday at 8:30 AM

- Age Definitions: See Department 1 - Junior Division for Dairy Age Definitions on page 29.
- Exhibitors must clear health requirements with Department Superintendents immediately at time of arrival.
- Correct ages of all cattle must be recorded on the entry blank.
- A bulk milk cooler will be provided for all exhibitors of cows in milk. All milk will be weighed and sold. Each exhibitor will receive a check for his/her milk, butterfat test to be averaged. Every precaution must be made to avoid contamination or adulteration of milk. No antibodies or drugs allowed. Fair management reserves the right to deduct from all milk checks all expenses incurred in the operation and management of the milk house.

DEPARTMENT 102 — BEEF

Judging: Thursday at 8:30 AM

RULES:

- Exhibitors must clear health requirements with the Department Superintendent immediately at time of arrival.
- Age definitions:
 - A junior calf is born on or after January 1 of exhibit year.
 - The calf must be at least 4 months old at the time of the exhibit.
 - A senior calf is born September 1 to December 31 of last year.
 - A summer yearling is born May 1 to August 31 of last year. (A summer yearling steer must have all milk teeth in place.)
 - A junior yearling is born January 1 to April 30 of last year. (A junior yearling steer has all milk teeth in solidly and shows no nicking at gums)
 - A senior yearling is born September 1 to December 31 of year before last.
 - A 2-year-old or older cow that has calved during the last year.
- Correct ages of cattle must be recorded on the Entry Blank.
- If a market steer is 75 percent or more beef blood, then it must be shown in the beef breeds market class.
- Horns must be removed from all steers shown.
